

January 2018

THE FISHER FAMILY

"Declare his glory among the heathen,
his wonders among all people."

TO SOUTHEAST ALASKA

Dear Friends,

GOD DID IT! GOD GAVE US A BOAT!

"O Lord, how manifold are thy works! in wisdom hast thou made them all: the earth is full of thy riches." Psalms 104:24

God has manifested His work and power this month. After finishing our survey trip in October of 2017, we knew we would need a boat to reach the remote villages. In December, we met with a boat manufacturing company in Washington who makes an excellent product for what we need. We let them know we were missionaries going to spread the Gospel and plant churches in Southeast Alaska, we also let them know that through prayer we believed God wanted them to have a part in spreading the Gospel. On January 16th, while attending a church planters conference in Oklahoma City, we received an email from the owners of the company. They agreed to send the boat anywhere in Alaska we needed for free, to give us dealer pricing, which brought the cost from about \$150,000 to about \$90,000, and they agreed to partner with us by giving \$50,000 of their own cash towards the project.

The remaining balance of what we needed was about \$40,000. On Thursday the 18th of January, we were asked to present our work during the last night of the Church Planters Conference. Through the generosity and sacrifice of many that night, over \$42,000 was raised for the glory of God and the furtherance of the Gospel!

A miracle: the only way one can describe when God moves. Would you please praise His Holy Name for His greatness! We want to thank you all for your prayers, and ask that you would now pray for wisdom with upcoming decisions. We also ask for prayers for a house in Juneau. I fly up in March to begin looking for a place to move to.

Our support in January jumped from 30% to 45%. We believe the Lord would have us move up by October of this year. We ask that you would pray both for wisdom and for the softening of the lost. One more soul made a profession of faith this month as a result of soul winning.

Finally, my brethren, be strong in the Lord, and in the power of His might!

Of Him, and through Him, and to Him,
The Fisher Family
