

August 2017

## THE FISHER FAMILY

“Declare his glory among the heathen,  
his wonders among all people.”

TO SOUTHEAST ALASKA

Dear Friends,

Grace and peace be multiplied to you! August has been a tremendous month of walking in the grace of God for the Fisher family. I had prayed that God would allow me to work during the week to supplement some income. After reading the book of Ruth, I felt God say, “Don’t glean in anyone else’s field, just stay in mine, I will take good care of you.” By faith, I made the decision not to seek employment and may I just say that God is faithful!

During the month of August, we saw four people make professions of faith in Jesus Christ. I thank the Lord that my wife was trained as a soul winner from an early age. Ruth takes Jacob as her partner which means I get to take Katherine with me. It’s not always easy obeying the great commission with small children, but it is a joy to train our children in how to love people with the gospel before they understand it.

For the next three months, we will be out of town. This month we will be in California, Oregon, Idaho, Washington, and Alaska. I have several prayer requests that we would appreciate being bathed in prayer this month. First, for safety as we drive and fly to meetings. That God would prepare the hearts of both saved and lost as we try to be a blessing to everyone we come into contact with. Thirdly, that we would have sensitivity to the moving of the Holy Spirit. For our video presentation being made in Alaska during September and October. (Jonathan really needs a lot of prayer on that one!) Lastly, for God’s wisdom and power on our lives and ministry.

We want to say a huge THANK YOU to those who are sacrificially supporting us. Last month we saw our monthly support raise from 4% to 12%. We also appreciate the prayer support from churches all over the world. God is answering prayer and sustaining our family in this calling. Would you rejoice with us in all that He is doing! He deserves our praise! “May the Lamb that was slain receive the reward of His suffering.”

Finally, my brethren, be strong in the Lord, and in the power of His might!

Of Him, and through Him, and to Him,  
The Fisher Family
